

# LAWTON ELEMENTARY SCHOOL

101 PRIMARY WAY • LAWTON, MICHIGAN 49065

Tuesday, November 26, 2013

Dear Lawton Elementary Families,

As we head into the Thanksgiving holiday, I hope you all have some time to rest, relax, and enjoy special time with the ones dearest to you. The first trimester ends this week and Monday, December 2 begins our second trimester. Look for report cards, on Friday, December 6.

The Spooktacular was a huge success. We have over 800 participants! Thank you all for coming out to join us for the some fun filled reading activities. We are looking forward to our next family reading night in March.

At the end of each trimester, we have some type of incentive day to celebrate students who have worked diligently to do the right thing and have no write ups. As we begin a new trimester, please remind your child about the incentive days as we love to celebrate these students for doing the right thing all trimester.

Temperatures are dropping, so please be sure to send your child with warm clothes, coats, mittens, hats, and boots. We will be going outside, so it is important student dress appropriately.

The elementary is doing a food drive for local families to help over the holidays. If you have nonperishable items you would like to send with your child to help families in need, we will be collecting those through December 13.

Cold and Flu season is upon us. Here are some tips to help keep our students and families healthy. Show your students how to properly wash their hands and encourage them to do so throughout the day. Encourage them to keep their hands out of their mouths, noses, and eyes and sneeze into their arm or tissue. Be sure your child is getting enough sleep, eating healthy, and exercising. Those activities will keep their bodies strong and healthier to fight off illness. Please remember it is district policy that students be fever free for 24 hours before returning to school.

Many of you have noticed that we are having all guests sign in at the office. This is for the safety of our children and we appreciate your help and care with this matter. All guests must enter the building at the main entrance and sign in at the office to get a visitor badge. Again, thank you for your help with this.

Sincerely,

Stephanie K. Brown
